and Designs (Temporary Rules) Act, 1914, and the Indian

When cheques are offered in payment of fees, it must be clearly understood that the office cannot hold itself responsible for any delay that may occur in the collection of cash on the cheques; any cheque not payable in Calcutta is subject to endorsement for which the allowance should be made. No. 2 of 1927.

Ceylon North West Coast.

[Shore to Jaffna Roads.]

With reference to Ceylon Notices to Mariners No. 2 of 1927, further information received from S.S. 'Gems' places the shoal patch reported with least water of 27 feet at L.W.O.D. about 14 miles westward of the position previously given, and very approximately with Rumbold's Light Beacon bearing 267 degrees distant at midday.

Caution.—In view of the comparatively recent discovery of two shoal patches in the harbor frequented port of the mentioned off Jaffna, it would appear undesirable for ships with a draught exceeding 18 feet to proceed eastward of a line drawn 25° from the White Tower at Pambanadu Island, until this area has been surveyed.
